"We are very excited with the community's response to the CIO of the Year Awards and the high quality of nominees involved this year," said Jared Roberts, managing director, IT Industry Network & IS Peer Network, Pittsburgh Technology Council. "The program and participants clearly highlight the strength of IT talent our region possesses. The awards will be a great opportunity to increase the visibility for the innovative IT leadership in southwestern Pennsylvania."

Boardroom Bad Boys

"Tony defines his excellent leadership abilities through team empowerment," noted George McKee III, president and CEO of TrueCommerce. "He empowers his team by assigning them clearly defined and measurable objectives based on the strategic and tactical needs of our business. Tony effectively matches employee roles to their abilities and responsibilities and then ensures that they have the necessary resources, support, and coaching that they need to be successful. We are proud of his accomplishments."

The awards ceremony will be held at the Heinz History Center on Thurs, Jan. 20, at 5:30 p.m. A CIO of the Year Award will be extended to each winner of the following four categories: Growth (companies with fewer than 100 employees), Enterprise (companies with between 100 and 500 employees), Global (companies with more than 500 employees), and

About TrueCommerce

TrueCommerce is a Pittsburgh-based EDI solutions provider founded in 1995. From the beginning, the company vision has been to provide small to mid-tier companies with a comprehensive, end-to-end solution that is easy to implement and fully integrates with their accounting or business software. By leveraging the ubiquity of the Internet, TrueCommerce is able to offer a patent-pending solution that is affordable and a more efficient alternative to traditional VAN-based EDI systems. TrueCommerce customers exchange over 6 million EDI transactions annually within a variety of industries, ranging from banking, hardware, grocery, mass merchandising, healthcare and government.
