TrueCommerce xChange

Offering Resellers More Advantages

TrueCommerce xChange is your gateway to cloud-based EDI managed services, helping companies achieve end-to-end management of their supply chains, ensure optimized delivery and simplify operations. Our extensive experience, robust EDI platform, expansive transactional network, and expert professional services team have earned us a reputation for excellence in the industry. It is our unwavering commitment to quality that has paved the way for the strong partnerships that underscore our success.

Our primary objective is to simplify the EDI experience, enhance productivity for our channel partners and their customers, meet their specific requirements, and ultimately contribute to their immediate and long-term financial success.

TrueCommerce fully automates the flow of information between your customers' suppliers, channels, and ERP systems, enabling them to streamline their processes, improve visibility, and shorten the order-to-cash/ purchase-to-pay cycle.

Key Benefits of TrueCommerce xChange:

Streamlined Integration with Top ERP Systems

Our program empowers channel partners to provide their customers with effortless integration into leading ERP systems. Together, we enable businesses to transmit data seamlessly to their trading partners via EDI, ensuring a streamlined and efficient workflow.
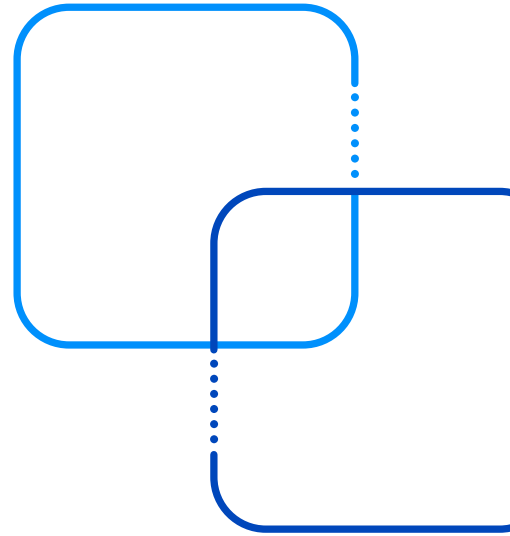

Unparalleled Integration and Automation

The TrueCommerce EDI solution and expansive global supply chain network enable integration and automation, leading to "zero-touch orders." This automation extends to marketplaces and trading partners, enhancing operational efficiency.

Expertise-Driven Managed Services

As a dependable EDI managed services partner, TrueCommerce offers a fully managed service model. We oversee project planning, implementation, and day-to-day EDI operations, allowing our customers to focus on their core business activities. Our in-house experts are on hand to provide flexible support, relieving the burdens of testing, maintenance, and ongoing compliance.

TrueCommerce delivers native integration with top ERP systems:

> "
>
> **Partnering with TrueCommerce has provided our customers with the benefits of seamless EDI-ERP integration. They have seen significant improvements in operational efficiency and accuracy since implementing TrueCommerce's EDI solutions."**
>
> Scott Jackson
> **Alta Vista Technology**
> **President**

Partner-Centric Growth
